

# 2 PLY 150# 1/32 x BARE GR II

CODE NUMBER: 6211G

TECHNICAL DATA	
Color	Black
Compound	SBR
Plies	2
Fabric/Carcass	Polyester/Nylon
Cover Surface	Smooth
Bottom Surface	Bare
Working Strength	150
Overall Gauge	.157"
Weight PIW	5.08 Kg/m <sup>2</sup>
Minimum Pulley	4"
Temp Range ° F	-25° - 225° F
FDA/USDA	No
Anti-Static	No
Recommended Splice	#2 Clipper©, #15 Alligator©, RS125 Staple
Maximum Width	72"
Feature/Benefits: Used for light-duty applications requiring minimum tensions with no need to resist heavy impact. Standard grade rubber covers resist abrasion and weathering in non-oily applications. Popular in many agricultural applications, including potato conveying and transport.
